

# CHEATSHEET

|                 |                                     |
|-----------------|-------------------------------------|
| MOD+Enter       | terminal ( kitty )                  |
| MOD+Shift+Enter | scratchpad terminal                 |
| Ctrl+Space      | dmenu_run                           |
| MOD+w           | firefox                             |
| MOD+Shift+w     | nmtui                               |
| MOD+e           | emoji                               |
| MOD+Shift+e     | zathura \$HOME/.config/keybinds.pdf |
| MOD+r           | lfub                                |
| MOD+Shift+r     | htop                                |
| MOD+n           | notes menu                          |
| MOD+Delete      | sysmenu                             |
| MOD+Backspace   | sysact                              |
| MOD+Shift+q     | sysact                              |

## Windows

|                           |                             |
|---------------------------|-----------------------------|
| MOD+j / MOD+k             | focus next / previous       |
| MOD+v                     | reset stack focus           |
| MOD+Shift+j / MOD+Shift+k | push window next / previous |
| MOD+q                     | kill client                 |
| MOD+Space                 | zoom / swap with master     |
| MOD+Shift+Space           | toggle floating             |
| MOD+f                     | toggle fullscreen           |
| MOD+s                     | toggle sticky               |
| MOD+Tab                   | previous tag set            |
| MOD+\                     | previous view               |
| MOD+Left / MOD+Right      | focus previous / next       |

## Layouts

|                    |                          |
|--------------------|--------------------------|
| <b>MOD+t</b>       | tile                     |
| <b>MOD+Shift+t</b> | bstack                   |
| <b>MOD+y</b>       | spiral                   |
| <b>MOD+Shift+y</b> | dwindle                  |
| <b>MOD+u</b>       | deck                     |
| <b>MOD+Shift+u</b> | monocle                  |
| <b>MOD+i</b>       | centered master          |
| <b>MOD+Shift+i</b> | centered floating master |
| <b>MOD+Shift+f</b> | floating layout          |

## Master, gaps, bar

|                                   |                        |
|-----------------------------------|------------------------|
| <b>MOD+h</b> / <b>MOD+l</b>       | master size - / +      |
| <b>MOD+o</b> / <b>MOD+Shift+o</b> | <b>nmaster</b> +1 / -1 |
| <b>MOD+a</b>                      | toggle gaps            |
| <b>MOD+Shift+a</b>                | reset default gaps     |
| <b>MOD+Shift+'</b>                | toggle smartgaps       |
| <b>MOD+z</b> / <b>MOD+x</b>       | gaps +3 / -3           |
| <b>MOD+b</b>                      | toggle bar             |

## Tags

|                                                |                              |
|------------------------------------------------|------------------------------|
| <b>MOD+1..9</b>                                | view tag                     |
